# Unveiling the Past: A Deep Dive into Ancient Civilizations

Created By Afia Siddiqui

## Objective

This assignment encourages you to delve deeper into the fascinating world of one ancient civilization, exploring its unique aspects and lasting impact. You will analyze historical information, evaluate its significance, and present your findings creatively.

## Assignment Description

Imagine stepping back in time! Choose one ancient civilization from the ones we've studied (Mesopotamia, Egypt, Indus Valley, or Ancient China). Your mission is to become an expert on your chosen civilization and present your knowledge in a captivating way.

## Sections

### 1. Civilization Selection and Introduction (5 marks)

- Clearly state the ancient civilization you've chosen.
- Provide a captivating introduction that piques interest in your chosen civilization.

### 2. Unveiling the Past: Key Features (10 marks)

- **Culture:** Describe at least three unique cultural aspects (e.g., religion, art, daily life, traditions).
- **Governance:** Explain their system of governance, leadership roles, and laws (if any).
- **Contributions:** Highlight at least three significant contributions to the world (e.g., inventions, ideas, advancements).

### 3. Connecting to Today: Lasting Impact (10 marks)

- Analyze how at least two contributions from your chosen civilization still impact our lives today.
- Provide specific examples to support your analysis.

#### 4. Creative Expression (10 marks)

- Choose one of the following formats to present your research:
  - **A Detailed Poster:** Visually appealing with images and concise information.
  - **A Captivating Presentation:** Engage the class with visuals and key points (5-7 minutes).
  - **A Model or Diorama:** Recreate a significant aspect of the civilization (with a brief written explanation).

#### 5. Challenge Question: What if...? (5 marks)

- **Scenario:** Imagine a key aspect of your chosen civilization had never existed (e.g., the Nile River for Egypt, the invention of writing in Mesopotamia).
- **Analyze:** How would this absence have affected the civilization's development and the world today?

## Format

- **Word Count:** (If applicable, adjust based on chosen format)
- **Formatting:** Clear, organized, visually appealing (if applicable).
- **Citations:** List sources used (at least 2) at the end.

## Rubric

Criteria	1 Point	2 Points	3 Points	4 Points	5 Points
<b>Research and Content</b>	Limited research, inaccurate or incomplete information.	Some research evident, but information lacks depth and accuracy.	Adequate research, information generally accurate but lacks depth in some areas.	Well-researched, accurate and detailed information.	Thoroughly researched, insightful, and comprehensive information.
<b>Analysis and Evaluation</b>	Fails to analyze the impact of the civilization or provides inaccurate evaluations.	Provides a superficial analysis with weak or inaccurate evaluations.	Offers a basic analysis with some attempts at evaluation, but lacks depth.	Analyzes the civilization's impact with clarity and provides	Demonstrates insightful analysis and critical evaluation of the
