

# An Effortless International Hiring Experience

International teacher hiring is inherently complex. It involves documentation, compliance, visas, travel, onboarding, and post-arrival support, often across multiple systems and stakeholders.

When you hire teachers from Suraasa, we manage all the complexities of international hiring with our **36-Step Teacher Mobility Playbook**. It includes:

## 01 Pre-Hiring & Readiness

Understanding district requirements, mapping credentials, and ensuring teacher readiness for U.S. classrooms

## 02 International Hiring & Selection

Candidate sourcing, vetting, interviews, coordination, and final offer support

## 03 Visa & Compliance Management

Documentation, regulatory checks, DOS-approved visa sponsorship management, visa processing, and required approvals

## 04 Relocation, Onboarding & Deployment

Travel support, cultural onboarding, post-arrival processes, and classroom transition

## What this means for your district:

Your team focuses only on selecting the best-fit teachers.

Suraasa manages everything else, right up to the moment the teacher is in your classroom, ready to teach.
